TOEFL
SAT

Student's testimonial

I love my school because the teachers and staff of our school treats all students nicely. Thanks to the psychology time, the moments of feeling sad and difficult are significantly reduced. I would like to appreciate the teachers, staff and director for providing such a grateful learning environment with warm feeling.

Student's testimonial

I love my school. The senior and junior classes are very close to each other. There is no bullying or discrimination. I like doing Eduten and Pearson online programs. I love working out in the gym.

9a class student D. Ayalgu

CHILDREN DEVELOPMENT

Teacher's testimonial

We care and support each other, everyone knows about others life and needs, everyone is indifferent. And from time to time we have joyous events and celebrations where most of us involved. It's our "second home"
